Dear Mary,

Learning that there will be a Ski Training Camp this winter vacation, I'm writing to invite you to go with me. Here is some related information.

This camp will open on January 15th and has classes in Changping district, Beijing on a daily basis. The reason why I choose this camp is that the coaches will offer professional instructions about skiing. Moreover, the camp has advanced skiing equipment which attracts me a lot. If you are interested, let me know soon, so we can sign up ahead of schedule.

Looking forward to meeting you at the training camp.

Yours,

Li Hua

写作第二节：Possible version

At 11:10 am the doorbell rang and my mother stood outside the door smiling, accompanied by a young woman. I hugged my mother tightly and affectionately. Enormously relieved, the young woman told me that my mother had lost her way while returning home after the morning walk. The only description she could provide was that my house was near the park and that the house was made of red bricks. With much effort, and after almost two hours' searching, the young woman was able to locate my house. She expressed great relief at getting my mother home.

After knowing what had happened, I showed my appreciation of the young woman's kindness. I felt warmth in the cold winter, and believed there was kindness in every corner. I invited her inside to join us for a cup of tea. The woman refused politely and said sincerely that she felt so delighted to have brought my mother safely home to me that she did not require further thanks. Then she drove the car away without even sharing her name and I have not seen her again. This kind act has a lasting influence on me. I always give others a helping hand if possible, even so many years later.

五校联考答案详解

A 篇

体裁：应用文主题语境：人与社会——社会生活；介绍了观看展览的相关信息

21. D 细节理解。根据第三段第二句 “You can pet a lamb and watch the diving dogs and many farm animal shows” 可知，本题答案为 D。
22. B 细节理解。根据 **Tickets and Pricing** 部分 “Family pass(2 adults & up to 3 youth)-US\$25” 可知，本题答案为 B。
23. C 细节理解。根据 “Note: All children must be accompanied by an adult.” 和 **Admission and Re-entry** 部分内容可知，C 项正确。A 项 “invalid wristband of his mother’s” 不合要求。B 项 “at 5 pm” 不合要求。D 项没有成人陪同。

B 篇

体裁：记叙文主题语境：人与社会。本文介绍了一种社会现象，有的人犯错却不道歉，而遭到冒犯的一方却先说对不起。作者针对这一社会现象谈论了自己的观点。

24. B 细节题。根据原文第一段, “They ran into me, but I said sorry.” 他们撞了我，但我却说了对不起。
25. D 深层理解题。根据原文第三段, “I apologize to escape conflict.” 我道歉是为了逃避纷争。
26. A 词义猜测题。根据原文, “This pattern is especially prevalent in women.” 这种道歉模式在女性中是很普遍的。
27. D 深层理解题。根据最后一段, “Deeds speak louder than words. So start making changes instead of saying unnecessary sorry.”, 作者建议停止没有必要的道歉，而要做出必要的改变。A 项，避免道歉，不符合作者的本意。

C 篇

体裁：说明文主题语境：人与自然本文主要讲述了一项关于吃薯条的海鸥的调查实验，研究表明：海鸥对人们手中的食物很感兴趣，但是在被注视的情况下会更少地接近食物。研究人员认为人们可以通过一些做法保护自己的食物，同时也应对海鸥的行为表示理解。

28. A 深层理解题。根据文章第一段段意，汉娜·赫克斯福德在约克郡海岸的海滨小镇布里德灵顿遇到了这只吃薯条的海鸥。她在 2011 年用 iPhone 拍下了这张照片。这段视频很快就火了。十年后，这只偷薯条的海鸥出现在了谷歌的广告牌上，再结合下文可知，作者是用之前爆火网络的照片上的海鸥，引出了本文研究的主题。
29. C 细节理解题。根据文章第二段第一句 Researchers recently discovered that food may actually become more attractive to gulls when the birds observe humans handling it first 可知，当海鸥观察到人类先处理食物时，食物可能对海鸥更有吸引力，所以可以推断出海鸥会更喜欢游客正在吃的食物。》
30. D 推理判断题。根据文章倒数第二段段意可知，实验表明：如果附近有人密切注视着海鸥，它们会更加谨慎地接近诱人的食物。然而，科学家们还发现，海鸥在被盯着看时，表现出对食物感兴趣的海鸥数量比预期的要少得多。所以，可以推断出，在被注视的情况下海鸥不太会吃这些食物。
31. B 观点态度题。根据文章最后一段第二句 “Gulls have a bad reputation but, like all animals, they are just trying to survive,” Goumas said. 可知，古马斯认为虽然海鸥名声不好，但和所有动物一样，它们只是在努力生存，所以他对海鸥的行为是表示同情理解的。

D 篇

体裁：说明文主题语境：人与自我 对于现代人，一般来说，早、中、晚三餐时间大约在 7:30、12:30、18:30。当然，由于生活轨迹和个人习惯的不同，每个人的三餐时间自然有所差异。那么晚点吃饭到底为啥不好？不也是一天三顿吗？近日，一项发表在《细胞代谢》杂志的最新研究给出了明确回答：吃饭时间真的很重要！饭吃得太晚（如一天三顿的摄入时间比别人迟 4 个小时），会从三大方面诱发肥胖：增加食欲、降低能量消耗、改变脂肪组织基因的表达。吃太晚真的容易长胖，快把“时差”倒回来！

32. D 推断题。从第二段这句话 The study does show eating later results in “an increase in hunger, impacts hormones and also changes gene expression, especially in terms of fat metabolism with a tendency towards less fat breakdown and more fat deposition,” 我们可以得知吃饭时间晚有减少脂肪分解的倾向，故选 D。
33. C 推断题。通过第三和第四段我们得知，在实验的过程中，大量的数据会被收集起来。通过第三段 The study was small — only 16 overweight or obese people 我们得知此实验规模不大，故 A 错误。B 分析这种现象的诱因不是此实验的办法并且与题干不符。D 通过举例来证实科学研究没有提及。
34. C 细节判断题。通过第三段 All participants were in good health, with no history of diabetes or shift work and had regular physical activity. 这句话得知 A、B 表述错误。通过第四段 Participants were then divided into two groups randomly. 这句话得知 D 表述错误。通过第四段 One group ate calorie-controlled meals at 8 am, noon and 4 pm, while the other ate the same meals four hours later... 这句话得知参与者的饮食是有限制的，故选 C。
35. B 主旨大意题。通过第一段 We all know that eating later in the day isn't good for our waistlines, but why? 和最后一段 Results showed that hunger pangs doubled for those on a night-eating regime(规则). People who ate later in the day also reported a desire for salty foods, meat and, to a lesser extent, a desire for dairy foods and vegetables. 这两句话得知，每天吃饭晚会导致人们的腰围增加，饥饿感加倍，对咸的和肉类食品等充满渴望。故选 B。

七选五

体裁：说明文主题语境：人与自然；大意：从生活中收集园艺肥料。

36. E 考查上下文衔接。由空前 “So, growing our own food is a good way to save money.” 和后 “Here is some good news” 可知本空表转折，故选 E。
37. B 考查上下文衔接。由空前 “If you leave cut grass on the lawn, you may not need fertilizer.” 和空后 “This will help grass to continue to grow.” 选 B，承上启下。
38. F 考查上下文衔接。由空前 “You can keep the food scraps in a bowl in your kitchen.” 和空后 “As the scraps break down, they add nutrients.” 选 F，“it” 指代 “the bowl” 承上启下。
39. D 考查段落小标题。根据后文可知家里其它的几种生活废物可以用来做肥料，故选 D。

W: Well, thank you for listening to our radio program tonight. Now let's share some messages we received.

First, I must start by saying a big "thank you" to Tony Smith. He did a great job to improve our program last week while I was away. Thanks, Tony. And thanks for all the messages asking about my holiday. I had a long flight home late last night, but I must say I had a wonderful time.
